### WHAT'S IN THE BOX?

(1) Requires installation of the Motorola Nursery app. Download or update the Motorola Nursery app from your mobile device app store.

(2) Requires wireless connection to the internet and a compatible viewing device capable of displaying 1080p.

(3) When there is a clear line of sight between parent and baby units. Any obstruction between parent and baby units will reduce the range significantly. With parent and baby units indoors, the typical range is up to 165 feet.

(4) The mains power cable for the camera is not shown in the wall mount visual. Power is required.

The Motorola Nursery App<sup>1</sup> provides all your baby monitoring needs and more from the convenience of your phone.

View in Full HD 1080p on compatible smartphones and tablets<sup>2</sup>
